

Amendment to the Drawings

The Examiner states the drawings are objected to because all blocks in Figures 1-2 should be labeled with descriptive legends based on 37 C.F.R. § 1.84(o) for supporting the objection in the Rules and M.P.E.P. The appropriate legends have been added to the figures and are submitted with the heading "Replacement Sheet" in the top margin of each sheet. The replacement sheets are attached to this Amendment.
